OUR STORY

Founded in 2014 by Marco Antonio Stocchetti, MAS Kuchen has become a leading name in bespoke kitchen design, supply, and installation across Reading & Camberley.

Before establishing MAS Kuchen, Marco honed his craft for 12 years as a seasoned kitchen fitter. This hands-on experience provided him with a deep understanding of the intricacies involved in transforming kitchens from concept to reality.

In 2014, Marco opened our first showroom in Reading, bringing his vision of German-inspired, precision-engineered kitchens to life. The success of this venture paved the way for our second showroom in Camberley, allowing us to extend our reach and cater to an even wider clientele.

With 150+ five star reviews, we don't just aim to meet expectations – we strive to exceed them. Experience the MAS Kuchen difference, and embark on a journey to create a kitchen that's uniquely yours.

LUXURY KITCHENS TAILORED TO YOUR VISION

“We had a brilliant experience with MAS Kuchen to fit a new kitchen in our home renovation. Jade the designer was fantastic, going through several design options with us and then making sure the final design was exactly what we needed. She did this all with patience, good humour and very efficiently. The fitting of the kitchen was great, fitting in with other building works and the quality of the final product is brilliant – sleek but with traditional touches. All in all – we had a brilliant experience with MAS Kuchen.”

PRECISION ENGINEERED FOR MODERN LIVING

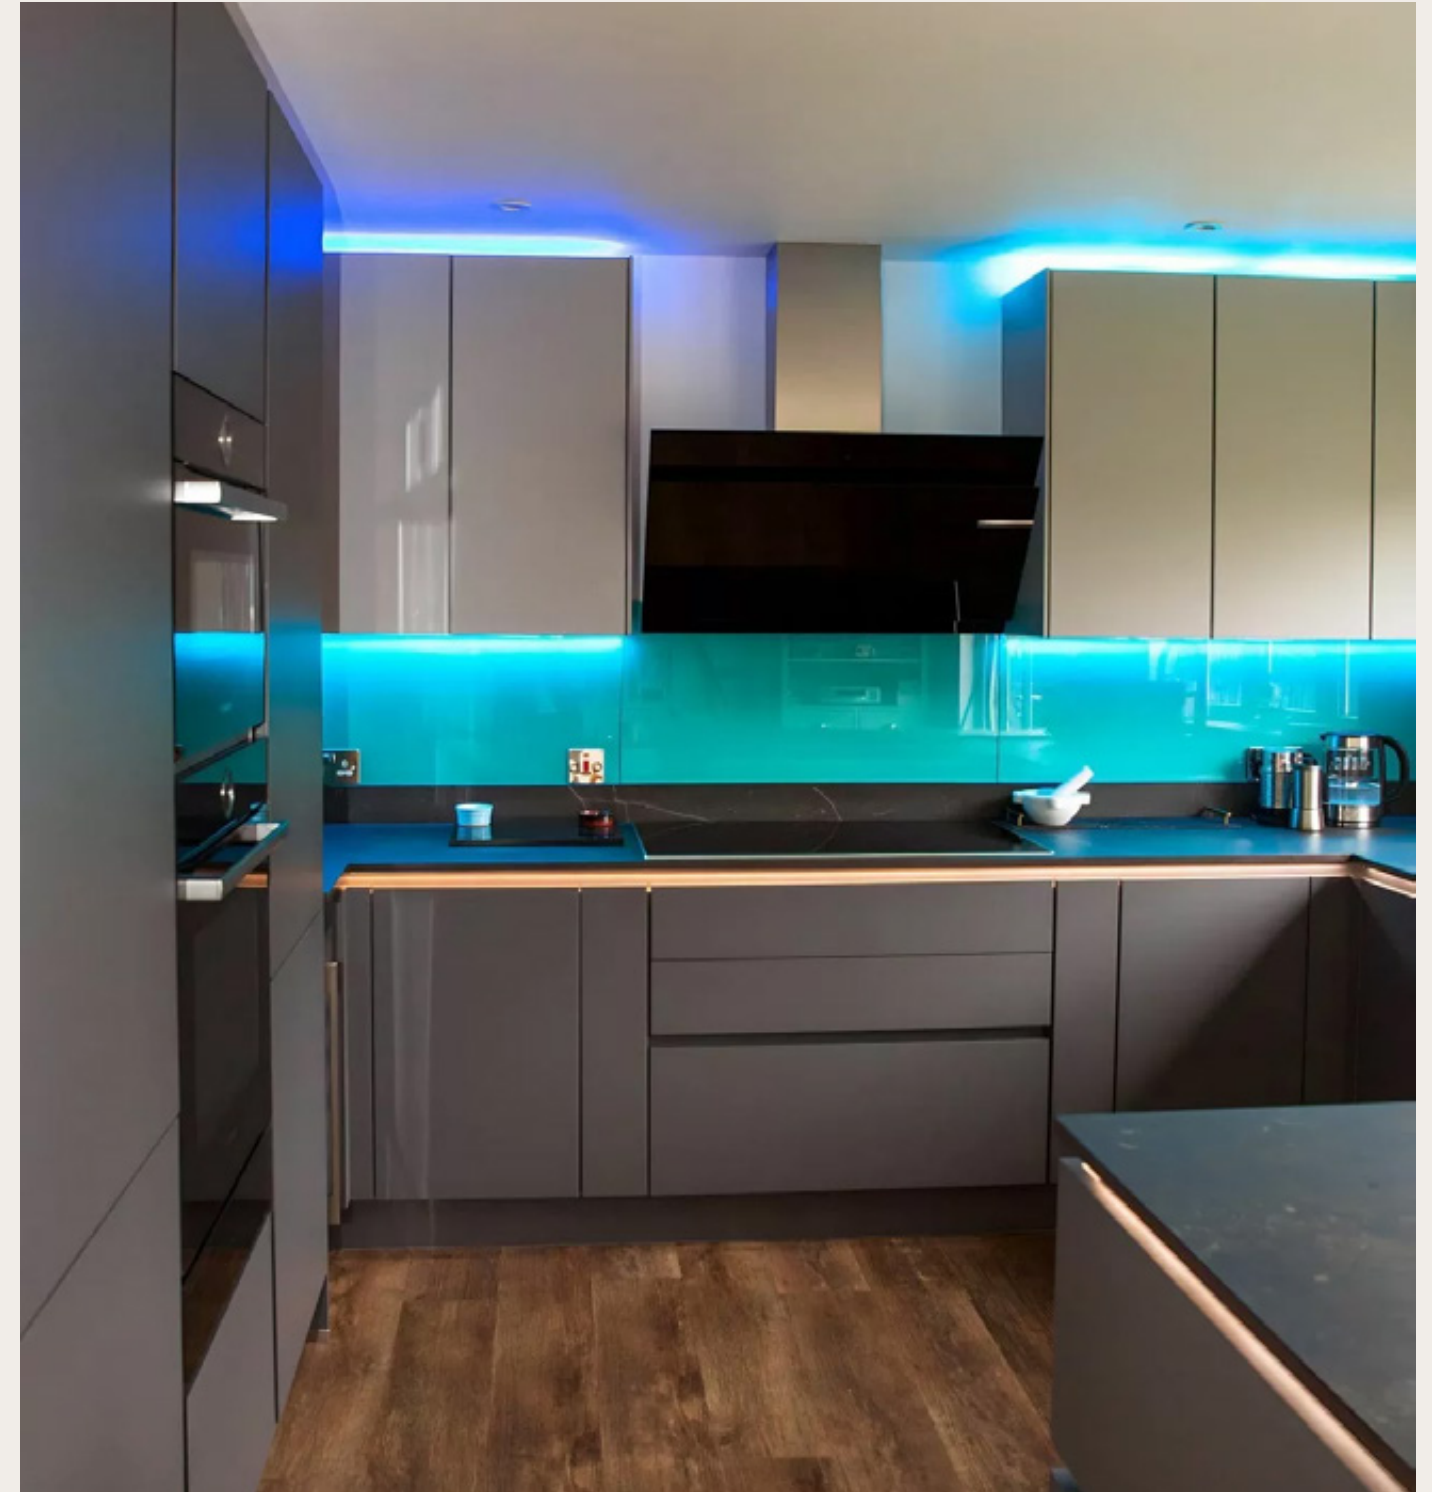

"From design to installation Marco and his team were an absolute pleasure to work with. Nothing was too much trouble and Lisi was fantastic in her ability to get the best from our budget in terms of products and design. We would use MAS Kuchen again in a heartbeat and highly recommend them. Icing on the cake.....friends and family visiting our long awaited renovated home absolutely love the kitchen! Thank you Marco and team!"

PROFESSIONAL, END-TO-END CUSTOMER SERVICE

“Fantastic job by Marco and team from beginning to end. A truly awesome project to work on and we are delighted by the finished results and would highly recommend MAS Kuchen to anyone considering a design project. All of the team were a pleasure to deal with, with superb aftercare and customer services. We went for a modern look and they did not disappoint, attention to detail and a massive wow factor on the finished article. Thank you!”

METICULOUS ATTENTION TO DETAIL

“Very pleased with my new kitchen, plenty of choice on cupboard door designs and colours. I knew what I wanted but Marco had some good suggestions to improve the design. Marco was a kitchen fitter so we felt confident with his design. Arrived exactly when he said and the fitter was first class. After sales was great as I made a few changes and they dealt with them without any fuss. Would recommend.”

BRINGING YOUR DREAM KITCHEN TO LIFE

"I love our kitchen from MAS Kuchen! From the minute I walked into the shop and spoke with Lisi I really hoped we could get our kitchen from MAS Kuchen! The quality is so good so we were so pleased to hear it is very good value also! Lisi really knows her stuff and was so lovely and friendly, she listened to all of our kitchen dreams and needs and made it work for us! Any little thing that we wanted to change or look at slightly differently then Lisi was so happy to help! Definitely the best kitchen designer that we have come across in our search for a kitchen! We tried so many different places as well The quartz worktop is the best we have seen and we are so happy with it! Thanks Lisi, and everyone at MAS Kuchen."
